Pretty lover in the pouring rain
I wanna tell you what a fool I've been, oh I
I met a devil with an angels face and I
I spent tonight inside his warm embrace
But I was colder than I've ever known
And now it's over

And I think I'm falling
Out of my broken aeroplane
I wanna fall into the river
But the river is dry
The river is dry

Pretty lover won't you talk to me?
Take us back to where we used to be, oh, I
I was stupid in the path I chose
I didn't know but, baby, now I know that
It is cold inside a strangers arms
And now it's over

And I think I'm falling
Out of my broken aeroplane
I wanna fall into the river
But the river is dry
The river is dry

Oh lover, we were meant to be
They could write a book about our history, oh, I
understand that it might take a while
Please don't take too much time

'cause I think I'm falling
Out of my broken aeroplane
I wanna fall into the river
But the river is dry
The river is dry

And I think I'm falling
Out of my broken aeroplane
I wanna fall into the river
But the river is dry
The river is dry
The river is dry

The river is dry
The river is dry
