Sometimes I think, oh yes, I'd move to  
Where all the shooting stars are gone  
With all of our wishes

How could they bear, oh no, to carry  
around the stupid human hopes  
So I'm gonna help, I will!

Give me a key to lock  
The door to the secret paradise  
There are so many queuing up  
And I won't let them in  
Look at them  
They are cheeky  
They are never worthy to be saved

Sometimes I feel, oh yes, I could do  
Almost anything I wanted  
And it makes me cry

Lay your heart, lay your soul  
Upon my magic carpet  
Now we are flying  
To Venus just to kill some time for tea, OK?  
Remember, surrender  
There's nothing you can do 'cause  
Love's such a joke  
Like a little Jack-in-the-box, you know

A little jack-in-the-box

Lay your heart, lay your soul  
Upon my magic carpet  
Now we are flying  
To Venus just to kill some time for tea, OK?  
Remember, surrender  
There's nothing you can do 'cause  
Love's such a joke  
Like a little Jack-in-the-box, you know

A little jack-in-the-box
