Master of Codes  
The Demon Download  
I rule on this throne  
By anarchy  
Of circuitry  
This is the end of all you'll know

Seeds have been sown  
Down Silicon Roads  
By the kings of Control  
Who now mutate  
Your human shape  
Till there's an end to all you'll know

O can we be  
Absolutely free?  
Or must we simulate every need?  
Are we just empty shells  
In virtual hell?

O this, I'll resist  
I will exist  
Not be eclipsed  
There'll be no end to all I'll know

I'll have to stand alone
