Seeing you in my tears
In my own reflection
I hear you in the wind that passes through me

Feel you in my hunger
You're haunting my ambition
Beautifully destructive attraction

Climbed to zero G's
Now falling like a rock
Drugged and digitized you inside a dream

E tu sei per me...

L'aria che respiro
Il mio cibo, chi? che osservo
magico sei tu! E io sento che...
Sono innamorata di emozioni
smisurate, infinite ormai!

A velveteen equation

I find you in my fears
and in my fascination
I taste you in safe water and it drowns me

Paranoid and peaceful
Inside a sweet addiction
Velvety electrical reaction

Soft insanity
And I can't make it stop
Live hallucination within a dream

E tu sei per me...

L'aria che respiro

il mio cibo, chi? che osservo
magico sei tu! E io sento che...
Sono innamorata di emozioni
smisurate, infinite ormai!

A velveteen equation

Magico, questo ? un grande amore

Magico, questo ? un grande amore
