You said you wanted to see Paris
So I took you to the movie
"Bon Amie" or something French like that.

Then you said you were embarrassed
Because I never bought you jewelery.
Television shopping fixed all that.

Funny thing, 'cause I haven't seen you lately.
When I called your house it wasn't you who told me
I heard it all from your dad.
I used up all my money on you, baby, and I want it back.

I want it back.
I used up all my money trying to please you and I want
it back.

Do you remember late last winter?
You said that you had nothing to wear.
Those fake fur pajamas looked real nice.

I couldn't take you to Miami
I took you to the ocean and we
Had some blue Hawaii on the beach.

Let me think.
If I add up all you owe me,
And include my time I might make it through the
summer.

And I guess that ain't too bad.
I used up all my money on you baby and I want it back.
I said I want it back.
I used up all my money trying to please you and I want
it back.

And I guess that ain't too bad.
I used up all my money on you baby and I want it back.
I said I want it back.
I used up all my money trying to please you, now I want
it back.

Want it all back
I said I want it all back
Gimme my money all back
I want my money all back...
