We couldn't say them,
So now we just pray them,
Words that we couldn't say.

Funny, aint it?
Games people play,
Scratch it, paint it,
One in the same,
We couldn't find them,
So we tried to hide them,
Words that we couldn't say.

It hurts, don't it?
Fools on parade,
Taint it, own it,
Chase it away,
We couldn't make them,
So we had to break them,
Words that we couldn't say.

Sometimes baby,
We make mistakes,
Dark and hazy,
Prices we pay,
I seat here in my shelf,
Just talking to myself,
Words that we couldn't say.

Someday, maybe,
We'll make it right,
Until that day,
Long enless night,
We couldn't say them,
So now we just pray them,
Words that we couldn't say.

We couldn't say them,
So now we just pray them,
Words that we couldn't say.

Someday, maybe,
We'll make it right,

Until that day,
Long endless night,
We couldn't say them,
So now we just pray them,
Words that we couldn't say.
