It's been very hard but it's getting easier now  
Hard times are over, over for a while  
The leaves are shining in the sun and I'm smiling inside  
You and I watching each other on a street corner  
Cars and buses and planes and people go by

But we don't care, we wanna know  
Wanna know in each other's eyes  
That hard times are over, over for some time  
(Yeah)

Hard times are over  
Hard times are over  
Hard times are over  
Over for a while

It's been very rough  
But it's getting easier now  
Hard times are over  
Over for a while

The streams are twinkling in the sun  
And I'm smiling inside  
You and I walking together  
'Round the street corner

Hard times are over  
Hard times are over  
Hard times are over  
Over for a while

Hard times are over  
Hard times are over  
Hard times are over  
Over for a while

Hard times are over  
Hard times are over  
Hard times are over  
Over for a while

Hard times are over

Hard times are over
