## "I Know"

The years have passed so quickly,  
One thing I understood:  
I'm only learning to tell the trees from wood.

I know what's coming down  
And I know where it's coming from.  
And I know and I'm sorry, yes, I am,  
But I never could speak my mind.

And I know just how you feel,  
And I know now what I have done.  
And I know and I'm guilty, yes, I am,  
But I never could read your mind.

I know what I was missing,  
But now my eyes can see.  
I put myself in your place as you did for me.

Today,  
I love you more than yesterday, yeh,  
Right now,  
I love you more, right no-oo-oo-oo-ow.

And I know what's coming down  
And I know where it's coming from.  
And I know it's getting better all the time,  
As we share in each other's mind.

Today,  
I love you more than yesterday, hey,  
Right now,  
I love you more, right no-oo-oo-oo-ow.

Uh, uh -  
No more crying,  
Uh, uh -  
No more crying,  
Uh, uh -  
No more crying,  
Uh, uh -  
No more crying.
