I love you, earth, you are beautiful
I love the way you are
I know I never said it to you
But I wanna say it now

I love you, I love you
I love you, earth
I love you, I love you
I love you now

I love you, earth, you are beautiful
I love the way you shine
I love your valleys, I love your mornings
In fact I love you everyday

I know I never said it to you
Why I'd never know
Over blue mountains, over green fields
I wanna scream about it now

I love you, I love you
I love you, earth
I love you, I love you
I love you now

You are our meeting point of infinity
You are our turning point in eternity

I love you, I love you
(I love you, I love you)
I love you, earth
I love you, I love you
(I love you, I love you)
I love you now

I love you, I love you
(I love you, I love you)
I love you, earth
I love you, I love you
(I love you, I love you)
I love you now
