It's getting cold around here, people are living in fear,
Whether it's a country or an island.
Frighten of death, holding our breath
While our souls cry out.

I don't wanna be mugged by some mother,
I don't wanna be shot for ten dollar.
And what's this talk about limited holocaust?
Have a heart, I don't even want my roof to leak.

I see rainbows, I see tomorrow,
I see us sending rainbow love.
I see rainbows, I see tomorrow,
I see us sending rainbow thoughts.

I don't wanna be part of terrorists,
I don't wanna be one of survivalists.
This is our world and it's beautiful,
I wanna survive, survive, survive, survive together.

I see rainbows, I see tomorrow,
I see us sending rainbow love.
I see rainbows, I see tomorrow,

I see us sending rainbow thoughts.

I see rainbows, I see tomorrow,
I see us sending rainbow love.
I see rainbows, I see tomorrow,
I see us sending rainbow thoughts.

I see rainbows, I see tomorrow,
I see us sending rainbow love.
I see rainbows, I see tomorrow,
I see us sending rainbow thoughts.

Rainbow love, rainbow thoughts,
Rainbow love, rainbow thoughts,
Rainbow love, rainbow thoughts,
Rainbow love, rainbow thoughts,
Rainbow love, rainbow thoughts,
Rainbow love, rainbow thoughts,

Rainbow love, rainbow.
