Our life together is so precious together,
We have grown, we have grown.
Although our love is still special,
Let's take a chance and fly away
Somewhere alone.

It's been so long since we took the time,
No one's to blame, i know time flies so quickly.
But when i see you, darling,
It's like we both are falling in love again,
It'll be just like starting over, (over)
Starting over. (over)

Ev'ry day we used to make it, love,
Why can't we be making love nice and easy?
It's time to spread our wings and fly,
Don't let another day go by, my love,
It'll be just like starting over, (over)
Starting over. (over and over and oh)

Why don't we take off alone?
Take a trip somewhere far, far away.
We'll be together all alone again,
Like we used to in the early days.

Well, well, darling.

It's been so long since we took the time,
No one's to blame, i know time flies so quickly.
But when i see you, darling,
It's like we both are falling in love again,
It'll be just like starting over, (over)
Starting over. (over)

Look out!

Our life (doo doo)
Together, (doo doo)
It's so precious (doo doo)
Together, (doo doo)
We have grown, (doo doo doo wah)

Mm, we have grown (doo doo doo wah)
Although our love's (doo doo)
Still special, (doo doo doo wah)
Let's take a chance and fly away
Somewhere.

(over and over and over)
Starting over. (over and over and over)
Uh-huh-uh-uh-uh-uh - (over and over and over)
Ah, ah, ah, (over and over and over)
Ah, ah, ah, ah, ah, ah. (over and over and over)
