No!!

Let me take my scarf off,
No, no, no, yes, yes, yes.
Dont help me, (help me)
I can do it and you know it.
Dont touch me, (touch me)
I dont like it.

Let me take my blouse off,
No, no, no, yes, yes, yes.
Dont help me, (help me)
I can do it and you know it.
Dont touch me, (touch me)
I dont like it.

You promised me, you promised me,
You promised me, you promised me.
I dont remember what you promised,
I know you didnt keep it.

Let me take my pants off,
No, no, no, yes, yes, yes.
Dont hold me, (hold me)
I dont want it.
Youre thinking of rock hudson when we do it. (lets do it!)

Let me take my ring off,
No, no, no, yes, yes, yes.
Dont do it, (do it!)
I cant do it,
Im seeing broke glass when we do it. (do it!)

You promised me, you promised me,
You promised me, you promised me.
I dont remember what we promised,
But I know we didnt keep it.

You promised me, you promised me,
You promised me, you promised me.
I dont remember what we promised,

But I miss you!

- once there was this little boy who asked his father,
Would you tell me that old, old story?

Once there was this little boy who asked his father,
Would you tell me that old, old story?

Once there was this little boy and he went to...

- mummy...you should remember this more because
dyou know why?

- why?

- I learnt it from my daddy, you know.

- umm-umm.

- hah-hah.

- once there was this little boy who asked his father
To tell him that old, old, old, old, old, old story.

Once upon a time there was this little boy who said,
Would you tell me that old, old story?

Once upon...

- you could see...it can end anywhere!

It can end...its just a little story.
