Everybody's talking and no one says a word
Everybody's making love for no one really cares
There's Nazis in the bathroom just below the stairs

Always something happening and nothing going on
Always something cooking and nothing in the pot
They're starving back in China so finish what you got

Nobody told me there'd be days like these
No one told me there'd be days like these
Nobody told me there'd be days like these
Strange days indeed, strange days indeed
Most peculiar honey, boogie

Everybody's running and no one makes a move
Everyone's a winner and nothing left to lose
There's a little yellow idol to the north of Kathmandu

Hey now, everybody's flying and no one leaves the
ground
But everybody's crying and no one makes a sound
There's a place for us in the movies you just gotta lay
around

Nobody told me there'd be days like these
No one told me there'd be days like these
Nobody told me there'd be days like these
Strange days indeed, strange days indeed
Most peculiar, mama

Everybody's smoking and no one's getting high
Everybody's flying and never see the sky
There's a UFO over New York and I ain't too surprised
into the middle

Nobody told me there'd be days like these
No one told me there'd be days like these
Nobody told me there'd be days like these
Strange days indeed most peculiar, most peculiar

I mean I never seen anything like this, hey hey
Rolling, rolling, rolling, rolling, polling, polling, hey

Okay let's do it now
