Let's go!

Only people know just how to talk to people,
Only people know just how to change the world,
Only people realise the power of people.
Well, a million heads are better than one,
So come on, git it on!

Well, I know how we tried,
The millions of tears that we cried.
Now we are hipper, we been thru the trip.
And we can't be denied,
With woman and man side by side.
Make no mistake, it's our future we're making,
Bake the cake and eat it too.
We don't want no pig brother scene.

Only people know just how to talk to people,
Only people know just how to change the world,
Only people realise the power of people.
Well, a million heads are better than one,
So come on, git it on!

Well, it's long overdue,
There ain't nothing better to do.
Now we are hipper, we been thru the trip.
We can fly right on thru,

There's nothing on earth we can't do.
Fish or cut bait, it's our future we're making,
All together now, pull the chain.
We don't want no pig brother scene!

Alright! boogie! hey ho! let's go!
Only people know just how to talk to people,
Hey! hey! hey! alright! keep on, keep it on!
Only people know just how to change the world,
Do it! do it! do it!
Hey! hey! hey! alright!
Only people know just how to talk to people,
Do it! do it! do it! do it! do it!
Do it!

Only people know just how to change the world,
Yeah! yeah! yeah! yeah! yeah!
Only people know just how to talk to people,
Alright! uh-hu -
Only people know just how to change the world,
Do it! do it! do it! now!
Oh!
Only people know just how to talk to people,
Only people know just how to change the world,
Only people know just how to talk to people.
