The storms of life will blow
They surely come and go
They meet me at a time
When I'm calm and doing fine

But the Captain of my soul
He's always on board
He rocks me in His arms
While I'm riding through the storm

Chorus
While I'm riding through the storm
Jesus holds me in His arms
I am not afraid
Of the stormy winds and the waves

Though the tides become high
He holds me while I ride
I find safety in the master's arms
While I'm riding through the storm
I have no fear of the raging seas
Knowing Jesus will forever be right there with me
He can speak to the winds and the waves
And he make them all behave

All power's in the masters hands
When I'm on sea or dry land
I found safety in the Master's holding arms
While riding through the storm
(oah)While through the storm
Jesus holds me in his precious arms
Noohoho I'm not afraid of the stormy wind and the waves
No no
Jesus holds me in his arms
While I'm riding through the storm
Let the wind blow
I don't care, I'm riding through the storm with Jesus
Let the rains fall down, I'm riding through the storm
with Jesus
Jesus, he is the captain of my soul

Yeah, yeah, yeah, yeah yeah yeah yeah
He is, Jesus is, the captain of my soul
