O sisters, O sisters, let's stand up right now
It's never too late to start from the start

Sisters, sisters
Sisters, sisters

Wisdom, O wisdom, that's what we ask for
And yes, my dear sisters, we must learn to ask
Freedom, O freedom, that's what we fight for
And yes, my dear sisters, we must learn to fight

Sisters, sisters
Sisters, sisters

Freedom, freedom
Freedom, freedom
Freedom, freedom

New world, O new world, that's what we live for
And yes, my dear sisters, we must learn to live

Sisters, sisters
Sisters, sisters

Sisters, sisters
Sisters, sisters
