Well, just a\$ tight a\$ you can get it,  
Hard and slow aint hard enough.  
Just a\$ tight a\$ you can shake it, girl,  
Git it on and do your stuff.

Tight a\$ you can get it,  
Tight a\$ got it made.  
Uptights alright, but if you cant stand the heat,  
You better get back in the shade.

Well, just a\$ tight a\$ an indian ropetrick,  
Long and tough aint hard enough.  
Just a\$ tight a\$ a dope fiends fix, my friend,  
Git it up and do your stuff.

Tight a\$ you can boogie,  
Tight a\$ got it laid.  
Uptights alright, but if you cant stand the heat,  
You better get back in the shade.

Well,  
Alright.

Alright,  
Ho!  
Uh hu!

Well, tight a\$ you can make it,  
Hard and slow aint hard enough.  
Just a\$ tight a\$ you can shake it, girl,  
Git it on and do your stuff.

Tight a\$ you can get it,  
Tight a\$ got it made.  
Uptights alright, but if you cant stand the heat,  
You better get back in the shade.

Well, tight a\$ an indian ropetrick,  
Long and tough aint hard enough.  
Just a\$ tight a\$ a dope fiends fix, my friend,  
Git it up and do your stuff.

Tight a\$ you can boogie,  
Tight a\$ got it laid.  
Uptights alright, but if you cant stand the heat,  
You better get back in the shade.

Well.

Well, tight a\$ got me cornered,  
Tight a\$ got me laid,  
Tight a\$ strut, your stuff so tough,  
Just a-sittin in the midnight shade.

Tight a\$ you can boogie,  
Tight a\$ you got it laid.  
Uptights alright, but if you cant stand the heat,  
You better get back in the shade.

Well, ho!  
Oh!  
Oh yeah!
