Visit "[Toy Boat](#)" on MotoLyrics.com

I'm waiting for a boat to help me out of here
Waiting for a boat to help me out
The boat that reached my shore was a toy boat
Waiting for a boat to help me out

I'm dreaming of a lake I've never seen
before
Dreaming of a lake I've never seen
The lake I've seen last was a picture lake
Dreaming of a lake I've never seen

You who are
You who are
Help me out, help me out
Help me out of here

I'm thinking of a castle on atop a hill
Thinking of a castle on atop a hill
The castle I've been to was full of flies
Thinking of a castle on atop a hill

You who are
You who are
Help me out, help me out
Help me out of here

You who are
You who are
Help me out, help me out
Help me out of here

I'm waiting for a boat to help me out of here
Waiting for a boat to help me out
The boat that reached my shore was a toy boat
Waiting for a boat to help me out

You who are
You who are
Help me out, help me out
Help me out of here

You who are

You who are
Help me out, help me out
Help me out of here
