There may not be much difference
Between chairman mao and richard nixon
If we strip them naked.

There may not be much difference
Between marylin monroe and lenny bruce
If we check their coffins.

There may not be much difference
Between white house and hall of people
If we count their windows.

There may not be much difference
Between raquel welch and jerry rubin
If we hear their heartbeat.

Were all water from different rivers,
That's why it's so easy to meet.
Were all water in this vast, vast ocean,
Some day we'll evaporate together.

There may not be much difference
Between eldridge cleaver and the queen of england
If we bottle their tears.

There may not be much difference
Between manson and the pope
If we press their smile.

There may not be much difference
Between rockefeller and you
If we hear you sing.

There may not be much difference
Between you and me
If we show our dreams.

Were all water from different rivers,
That's why it's so easy to meet.
Were all water in this vast, vast ocean,
Some day we'll evaporate together.

Hey!

Whats the difference?

Whats the difference?

Whats the difference?

Whats, whats oh, whats?

Theres no difference!

Theres no difference!

Whats the difference?

Whats the difference?
