Where do we go from here?
Where do we go from here?
Where do we go from here?

If we sweep the bottom of the rivers
We find bodies that shouldn't be there
If we sweep the courts and offices
We find heads that shouldn't be there

Dingdong hell, pussy in the well
Cats on the hill, ready to kill

Where do we go from here?
Where do we go from here?
Where do we go from here?
Where do we go from here?

If we sweep the shelters and asylums
We'll find women that shouldn't be there
If we sweep the dark streets and alleys
We'll find dealers that shouldn't be there

Dingdong hell, pussy in the well
Cats on the hill, ready to kill

Why do we miss you so if you're
Just a speck of dust?

Are we getting tired of blood and horror?
Are we getting ready for God and terror?
Are we getting tired of blood and horror?
Are we getting ready for God and terror?

Are we getting tired of blood and horror?
(Where do we go from here?)
Are we getting ready for God and terror?
(Where do we go from here?)

Dingdong hell, pussy in the well
Cats on the hill, ready to kill
Dingdong hell, pussy in the well
Cats on the hill, ready to kill

Dingdong hell, pussy in the well
Cats on the hill, ready to kill
Ready to, ready to, ready to
Ready to, ready to, ready to

Where do we go from here?
