If you should lose me, how can you lose a good thing?
If you should lose me, how can you lose a good thing?

You know I love you, do anything for you
Just don't mistreat me, and I'll be good to you

Cause if you should lose me, how can you lose a good
thing?

I'm givin you one more chance, for you to do right
If you'll only straighten up, you'd have a good life.

Cause if you should lose me, how can you lose a good
thing?

This is my last time not asking anymore, if you don't do
right,
I'm gonna march outa that door,
And if you don't believe me, just try it daddy
And you'll lose a good thing.

Just try it daddy, and you'll lose a good thing

Just try it daddy, and you'll lose a good thing

Just try it daddy, and you'll lose a good thing

Just try it daddy, and you'll lose a good thing
