Got the blues, can't be satisfied
Got the blues, can't be satisfied
Keep the blues, I'll catch that train and ride

Yes, whiskey straight will drive the blues away
Yes, whiskey straight will drive the blues away
That be the case, I wants a quart today

I bought my baby a great big diamond ring
I bought my baby a great big diamond ring
Come right back home and caught her shaking that
thing

I said, "Babe, what make you do me this a-way?"
I said, "Babe, what make you do me this a-way?"
Well, that I bought, now you give it away

I took my gun and broke the barrel down
I took my gun and broke the barrel down
I put that joker six feet in the ground

You got the blues, and I still ain't satisfied
You got the blues, and I still ain't satisfied
Well, some old day, gonna catch that train and ride
