I had a girl she was just that kind
I thought I would make her mine
But when I looked the matter through
She was the worst of kind

She ain't no good
Oh, she ain't no good
When I come to find her out
I found she was no good

(Instrumental)

Some men likes the country girl
Mine's gonna live in town
A town's girl will be lovin' you
When the country girl messes around

She ain't no good
Oh, she ain't no good
When you see 'em, brother
Lives in the wood
You know she ain't no good

A town girl will get one man
An always treat him swell
But a country girl will get her ten men
And give them all hell

She ain't no good
Oh, she ain't no good
She wants ev'ry man in the neighborhood
You know she ain't no good

A yellow gal drinks her corn whiskey
An a brownskins do the same
The country girl get her chew, a *Brown Mule
But she's gettin' drunk just as same

She ain't no good
Oh, she ain't no good
She wants a man in the neighborhood

You know she ain't no good

I went to the country girl's house
And only one night I spent
I got up the next mornin'
And come back home
Been runnin' ever since

Oh, she ain't no good
Oh, she ain't no good
Deliver me from a country girl
Because she ain't no good.
