Was all the summer, and all the fall  
Just tryin' to find my, little Lenore  
But now she's gone, I don't worry  
'Cause I'm sitting on top of the world

Was in the spring, one summer day  
Just when she left me, she's gone to stay  
But now she's gone, I don't worry  
I'm sitting on top of the world

Then you come here runnin'  
Holdin' up your hand  
Can get me a woman  
Quick as you can get a man  
But now she's gone, I don't worry  
I'm sitting on top of the world

(Instrumental)

It have been days  
I didn't know your name  
Why should I worry and prayer in vain?  
But now she's gone, I don't worry  
I'm sitting on top of the world

Goin' to the station, down in the yard  
Gon' get me a freight train  
Worked some, got hard  
But now she's gone, I don't worry  
I'm sitting on top of the world

The lonesome days, they have gone by  
Why should you beg me and say goodbye?  
But now she's gone, I don't worry  
I'm sitting on top of the world
