Redemption our damnation  
Emphasise our suffering  
He strived to convert  
Betray his own morality  
Rapture in his damnation  
Judas you die  
Judas should die  
Judas will die  
Judas  
Discard my teachings  
Disclose for mutual gain  
Your exposed cast judgement  
Infinite in your rejection  
Judas...  
Bleed, you motherfucker  
Judas bleed, you  
Motherfucker  
You must be out of your mind  
You must be out of your depth  
Judas...  
Redemption betray me  
Disclose with a kiss  
Lead them to me  
Riches for rejection  
Judas...  
Bleed...  
Akeldama  
Bleed...  
You are out of your mind  
You are out of your depth  
Infinite is rejection  
Judas...  
Despair your rejection  
Blood now stains  
Your soul  
Judas...
