We'd like to introduce you to the nature of our trials  
We'd love the chance to bring your elders down  
So fix your Dad a drink 'cause we're gonna need to  
think  
Now you're a plane we won't need them around  
anymore  
We done a lot of dumb things now, sure hope we do  
some more  
And we'll wait all summer just to piss on your door

The wing commander's sister is a golden haired  
surprise  
I can't walk far but I can shoot for miles  
And my radar can see anyone over thirteen  
Now you're grown up we don't need you around  
anymore

We done a lot of dumb things now, sure hope we do  
some more  
It's the last summer so in our dust you will crawl
