You Am I - Cats And Dogs
=====

AH -ROOOO

I keep my ass in the air
But I'm still listening to the crap that he's saying.
'Cause it gives me a kennel
And a backyard picture for some playing.
Give me your good name
And I'll be your better half til I finally go insane.
Chew the TV guide always on his pedestal
And hear the phone ring.

The house don't smell the same
But we've been walking more since the old lady went
away.
Wake the old man each day.
AH-ROOOO
Hey!

I keep the key in a match book
Never look into the wet picture.
Rub me behind the head
While you think how much you miss her.
Pub closes at ten
So it's off to the corner to pick him up again.
Twenty four to six pack
Thursday at the pony track and closing.

House don't smell the same
But we've been walking more since the old lady went
away.
We'll keep the neighbourhood okay, okay?
AH-ROOOO

I better land
I better land
I better land.
