=====  
You Am I - Fox On The Run  
=====

by Sweet

I don't wanna know your name  
'Cause you don't look the same  
The way you did before  
You - you talk about just every band  
But the names you drop are second hand  
I've heard it all before

Fox on the run  
You scream and everybody comes a running  
Take a run and hide yourself away  
Foxy is on the run  
F - foxy  
Fox on the run and hide away

You - you talk about just every band  
But the names you drop are second hand  
I've heard it all before  
I - don't wanna know your name  
'Cause you don't look the same  
The way you did before

Fox on the run  
You scream and everybody comes a running  
Take a run and hide yourself away  
Foxy is on the run  
F - foxy  
Fox on the run and hide away

Fox on the run  
You scream and everybody comes a running  
Take a run and hide yourself away  
Foxy is on the run  
F - foxy  
Fox on the run and hide away
