You Am I - Janie Jones
=====
by the Clash

He's in love with rock'n'roll world
He's in love with gettin' stoned world
He's in love with Janie Jones world
But he don't like his boring job, now

An' he knows what he's got to do
So he knows he's gonna have fun with you
An' he knows when the evening comes
When his job is done he'll be over in his car for you
You lucky lady!

An' in the in-tray lots of work
But the boss at the firm always thinks he shirks
But he's just like everyone, he's got a Ford Cortina
That just won't run without fuel
Fill her up, Jacko!

An' the invoice it don't quite fit,
There's no payola in his alphabetical file
This time he's gonna really tell the boss
Gonna really let him know exactly how he feels
It's pretty bad!

Let them know - how you feel
