=====  
You Am I - Live With Me  
=====

by the Rolling Stones  
I got nasty habits, I take tea at three  
Yes and the meat I eat for dinner must be hung up for a  
week  
My best friend he shoots water rats and feeds them to  
his geese  
Don'tcha think there's a place for you in between the  
sheets?

Come now, honey, we can build a place for three  
Come on now honey, don'tcha wanna live with me?

There's a score of hair-brained children, they're all  
locked in the nursery  
They got earphone heads they got dirty necks, they're  
so 20th century  
Well they cue up for the bathroom 'round about 7:35  
Don'tcha think we need a womans touch to make it  
come alive?

You'd look good pram pushing down the high street  
Come on now honey don'tcha wanna live with me?

Oh, the servants they're so helpful, dear the cook she  
is a whore  
Yes, The butler has a place for her behind the pantry  
door  
The maid, she's French, she's got no sense, she's from  
the Crazy Horse  
When she strips, the chauffeur flips the footman's eyes  
be crossed

Oh, don'cha think there's a place for us, right across  
the street  
Don'tcha think there's a place for you, in between the  
sheets
