So many nights, I sit by my window  
Waiting for someone to sing me his song  
So many dreams, I kept deep inside me  
Alone in the dark, but now you've come along

You light up my life, you give me hope to carry on  
You light up my days and fill my nights with song

Rollin' at sea, adrift on the water  
Could it be finally I'm turning for home?  
Finally, a chance to say hey  
I love You, never again to be all alone

You light up my life, you give me hope to carry on  
You light up my days and fill my nights with song

You light up my life, you give me hope to carry on  
You light up my days and fill my nights with song

It can't be wrong when it feels so right  
'Cause you, you light up my life
