The time has come to wrap it up  
In a nice little perfect package  
Perfect's what it looked like on the outside  
But inside it wasn't  
Cause I try to make you happiness  
And you try to make me love  
I think I thought if we pretended long and hard enough  
It would somehow happen  
It would fall into place

I am so sorry  
I don't know what you see in me

I know I can be hard to handle  
I can be a pain in the ass  
So many mood swings, constant changes  
But you took it well  
And I thank you for that  
But I cannot be happiness  
And you cannot be love  
I think we thought if we pretended long and hard  
enough  
It would somehow happen  
It would fall into place

I am so sorry  
I don't know what you see in me

I  
I  
I

I don't mean to be mean  
But please don't wait for me

I  
I  
I

I just need to be

The time has come now to bring it to a level I can  
handle  
And I'm sorry but you know too much about me

For us to remain friends

I

I

I

I am so sorry

But please don't wait for me

I

I

I

I just need to be
