And it's down the stairs  
hair tossed and footing lost  
there's just one thing he'll forget to mention  
just keep it close  
i think we're safe within the crowd  
from watchful eyes that aim to keep me from my  
chances

if the truth is the virus infecting their highness  
its just loyalty protecting royalty  
if the truth is the virus infecting their highness  
its just loyalty

and it's down the stairs  
hair tossed and footing lost  
there's just one thing he'll forget to mention  
they're taking sides as you find your ride  
dry your tears, at least you'll leave with your pride  
but as the press war goes  
its always an old wound instead of the truth that ends  
up exposed

just keep it close  
i think we're safe within the crowd  
from watchful eyes that aim to keep me from my  
chances

if the truth is the virus infecting their highness  
its just loyalty protecting royalty  
if the truth is the virus infecting their highness  
its just loyalty

there's just one thing he'll forget to mention  
they're taking sides as you find your ride  
dry your tears, at least you'll leave with your pride  
but as the press war goes  
its always an old wound instead of the truth that ends  
up exposed

you've got another thing coming, YOU'VE GOT

ANOTHER THING COMING HAHA  
you've got another thing coming, YOU'VE GOT  
ANOTHER THING COMING YEAH  
you've got another thing coming, YOU'VE GOT  
ANOTHER THING COMING HAHA  
you've got another thing coming, YOU'VE GOT  
ANOTHER THING COMING YEAH

and it's down the stairs  
hair tossed and footing lost  
there's just one thing he'll forget to mention
