Who alone is worthy of all honor and all praise?
The Maker and Creator of heaven and the earth
The birds, the flowers and the trees
The rivers, the oceans and the seas
At his command they all came to be

He hung the stars in space and created every race
His love is so divine, it's like no other kind
He sent His Son to die for you and me
On a hill called mount Calvary, it's God

God gets the glory of all things
Blessings that come my way seen and unseen
He alone is worthy of all honor and all praise
Hallelujah, just to our God

Oh, it's the highest praise
Oh, it's the highest praise

He alone is worthy of all honor and all praise
Hallelujah, just to our God

Oh, it's the highest praise
It's the highest praise
