Chorus:

The Lord will make a way,  
if you just trust Him today.  
Without a doubt, I know He'll bring you out,  
I know the Lord will make a way.

Verse 1:

There's been times in my life  
when I couldn't see my way,  
that's when the Lord stepped in that very day.

He's opened doors I could not see,  
the Lord has made a way for me;
