### CHORUS

Lord, you're the landlord and there's a leak in your building.

Lord, you're the landlord and there's a leak in your building.

Lord, you're the landlord and there's a leak in your building.

### VERSE

### CHORUS

### VAMP

I can't fix it. (Repeat)

You're my landlord. (Repeat)

(I know that you'll)

Fix it. Fix it like you said you would.
