My life was torn, beyond repair
I felt so alone, seem no one cared
You came along, gave me a song
To ease the pain, and erase the storm

Hook
You could have left, me standing there
With no one, no one to care
You promised me, you'd be there on time
And you did just what you said

Female
Against all odds, I made the choice
To give you my trust, now I rejoice
You answered my prayers, not a moment to soon
Your words I embraced, my sins you erased

Hook
"

I gave it Up, {} Oh I let it go
lord you brought me through, now I'm brand new
I said have your way, {} Lord I made a mistake
{ } Lord you promised me you would heal my faith
