Chorus:

If I just hold my peace, God will fight my battle

Verse:

There are times when life gets me down,
When I go to my family and friends they're nowhere to
be found
Then a still small voice I hear telling me I see and I care
Just call on me, just call on me and Ill be there. (If I)

If I just hold my peace, God will fight my battle

Lead: (If I just Believe)
