Verse 1:

We enter Your gates with thanksgiving,
we enter Your courts with praise.
Unto You we sing hallelujah,
and praise Your holy name.

Chorus:

Lord, we praise You
for You are worthy Jesus,
we praise Your holy name.

Verse 2:

We come before Your presence with singing,
we offer You the highest praise,
singing glory, hallelujah,
we praise Your holy name.

Verse 3:

We love the Lord for all His goodness,
and to serve Him is our only aim.
And if you're not ashamed to be a witness,
come on and help us praise His name.

Chorus
