Drifter, you've been away and worried now.
So stirring up commotion.
Sending me empty and putting days to shelves like you
do.

You're breaking up,
Shifting like numbers.
Imagine them spreading all around me,
Aiding a better sleep.

You're breaking up,
Shifting like numbers.
Imagine them spreading all around me,
Aiding a better sleep.

I'm resting for now.
Bridging you into me,
Letting you speak heavy.

You're breaking up,
Shifting like numbers.
Imagine them spreading all around me,
Aiding a better sleep.

You're breaking up,
Shifting like numbers.
Imagine them spreading all around me,
Aiding a better sleep.

Bearing your right side,
True to form like you do.
