There's a light on over my head, my Lord  
There's a light on over my head, my Lord  
Let it shine, let it shine, although it may not be the only  
one  
Let it shine, shine, shine, although it may not be the  
only one

There's a moon roof over my head, my Lord  
And my Lincoln is still the best thing built by Ford  
Let it roll, let it roll, although it may not be the only one  
Let me ride, ride, ride, ride, although I may not be the  
only one

I got religion in the airport, my Lord  
They caught me waiting on my baggage when I was  
bored  
Let them chant, let them chant, although they may not  
be the only one  
Let them dance, dance, dance, although they may not  
be the only one

There's a light on over my head, my Lord  
There's a light on over my head, let it shine  
Let it shine, let it shine, although it may not be the only  
one  
Let me shine, shine, shine, shine although I may not be  
the only one  
Oh Lord, let me shine, shine, shine, although I may not  
be the only one
