"Long May You Run"

We've been through some things together
With trunks of memories still to come
We found things to do in stormy weather
Long may you run

Long may you run, long may you run
Although these changes have come
With your chrome heart shinin' in the sun
Long may you run

Well, it was back in Blind River in 1962
When I last saw you alive
But we missed that ship on the long decline
Long may you run

Long may you run, long may you run
Although these changes have come
With your chrome heart shinin' in the sun
Long may you run

Maybe the Beach Boys have got you now
With those waves singin' 'Caroline'
Rollin' down that empty ocean road
Get into the surf on time

Long may you run, long may you run
Although these changes have come
With your chrome heart shinin' in the sun
Long may you run
