[Verse 1:] Why she don't believe me bruh
She won't believe that I dropped every female for her
When I'm down I call her on ma worst days
8 a.m. wishin her a happy birthday
She so baby she real it's so crazy how I really feel
I understand pain and I understand trust I understand

Baby I no u but think you no me you need to stop playin

[Verse 2:]
Your my angel and god sent me to you
And like them other dudes I'll never do you wrong
Babygirl I promise I'm so real baby I'm so honest
An when u tell me that you scared of relationships but

All these females name what I'm gone do
But don't act like the dudes ant on you
