Why should a woman who is healthy and strong Blubber like a baby cause her man's gone away A weepin' and a whalin' that he's done her wrong That's one thing you'll never hear me say! Never gonna think that the man I lose Is the only man among men! I'll snap my fingers to show I don't care I'll buy me a brand new dress to wear I'll scrub my neck And I'll brush my hair And start all over again

Many a new face will please my eye Many a new love will find me Never have I once looked back to sigh Over the romance behind me Many a new day will dawn before I do

Many a like lad may kiss and fly A kiss gone is bygone Never have I asked an August sky 'Where has last July gone?' Never have I wondered through the rye Wondering where has some guy gone Many a new day will dawn before I do

Many a new face will please my eye Many a new love will find me Never have I once looked back to sigh Over the romance behind me Many a new day will dawn before I do!

Never have I chased the honeybee Who carelessly conjoled me Somebody just as sweet as he Cheered me and consoled me Never have I wept into my tea Over the deal someone doled me

Many a new day will dawn

Many a red sun will set Many a blue moon will shine Before I do!

Many a new face will please my eye Many a new love will find me Never have I once looked back to sigh Over the romance behind me Many a new day will dawn before I do!

Never have I chased the honeybee Who carelessly conjoled me Somebody just as sweet as he Cheered me and consoled me Many a new day will dawn

Many a red sun will set Many a blue moon will shine Before I do
