And every time that I feel dead  
And every time that I feel lost  
When it seems there's no one by my side  
Oh God, I pray to You

And every time that I am down  
And every time I seem to drown  
When it seems there's no more hope

Please save us from  
All the evil in this world  
Jesus, when  
The pain is overcoming  
Even if all our dreams are lost  
[2x]

Promise to save us, God  
Divine and glorious

And every time that I am desperate  
I pray to You  
So many times I have been waiting for an answer

Please save us from  
All the evil in this world  
Jesus, when  
The pain is overcoming  
Even if all our dreams are lost  
[2x]

Just like a child  
I look to the sky  
I'm looking for a sign from above  
Do I only pray  
To make me feel safer  
Am I talking to You?

Please save us from  
All the evil in this world  
Jesus, when  
The pain is overcoming

Even if all our dreams are lost  
[4x]
