"School Song"

We work and work
From week to week
At the Royal Bangkok Academy
And English words are all we speak
At the Royal Bangkok...
[Anna interrupts then starts them over]
From week to week
At the Royal Bangkok Academy
And English words
Are all we speak
At the Royal Bangkok Academy
If we pay attention to our teacher
And obey her every rule,
We'll be grateful for
Those golden years
At our dear old school.
The Royal Bangkok Academy,
Our dear old school.
