I don't know what you want I don't know what you need Heaven and love Know the answer And baby what about me And baby what about me

I don't know what you want
I don't know what you need
Heaven and love
Know the answer
And baby what about me
And baby what about me

I don't know what you want I don't know what you need Heaven and love Know the answer And baby what about me And baby what about me

But babe, do u really want Do u really want to see me cry Do u really want to see me cry
