Everynight with my star friends
We eat caviar and drink champagne
Sniffing in the VIP area
We talk about Frank Sinatra..
"You know Frank Sinatra?"
He's dead!
HAHAHAHAHA!
Dead.
To be famous is so nice
Suck my dick
Kiss my ass
In limosines we have sex
Everynight with my famous friends
Nice...
Suck my dick
Kiss my ass
So nice . . .
VIP area. . .
Frank... Frank Sinatry
Motherfuckers are so nice
Suck my dick
Lick my ass
In the mix we have sex...
Everynight with my favorite friends..
Frank.. Frank.. Frank Sinatra
Everynight with my star friends
Shake your body like the dance
Stupid smiles and autographs
This is a song for France
Everynight with my star friends
In Limosines we have sex.
