The sun is high, I'm going outside
Vampires are asleep
Witches are taking over

Kittin is high
Kittin is high

Kittin is high
Kittin is high

Kittin is high
Kittin is high
Kittin is high

Blood pressure is high
Need to pump some iron or German steel
That's how I want to feel from now on

Kittin is high
Kittin is high

Kittin is high
Kittin is high

Kittin is high
Kittin is high

Kittin is high
Kittin is high
