"Pollution Of The Mind"

People speak small talk
Flesh too close in airports
Strangers you get on my nerves
Eyes staring at me
Faces looking unhappy
Headaches non stop guarantee

Oh... Pollution of the mind
Let's be deaf and blind sometimes
Oh... Pollution of a Human kind
Let's be deaf and blind

Walking in bad smell
Sleeping in noisy hotels
Please, take, a shower of silence
Friends clean your brain
You, lost in sadness and pain
Sun can shine again

Oh... Pollution of the mind
Let's be deaf and blind sometimes
Oh... Pollution of a Humand kind
Let's be deaf and blind

Oh... Pollution of the mind
